

Guidance Plan of Action for LA Tire

Due to the Executive Order currently placed by the governor, we will follow these updates guidelines for serving our customers and following safety around the workplace.

We will only be available to service vehicles that are critical for essential workplace.

All customers and employees are required to wear a face mask.

All customers and employees are subject to temperature checks.

All customers and employees must wash hands and/or sanitizer before working on vehicles and before entering office.

All customers and employees must keep a min 6 Feet distance from each other and others.

All surfaces must be sanitized and cleaned thoroughly between each use.

Only one person at a time allowed in office and no more than 5 minutes.

No employees shall enter any customers vehicles.

Let customer know where should park and have them exit the vehicle and wait under designated canopy socially distanced from the shop.

Please exercise these guidelines which are effective immediately.

Vice President
